

fairtrade fortnight 28 Feb-13 March

Rizig Abu Nasser,

lives in the village of Deir Istya which has raw sewage pumped into their valley, polluting their water, as well as destruction of his olive trees by the Israeli military.

Bassema Basalat

olive and Za'atar producer, lives with her farmer husband and family in Haja village. Much of her family grove is no longer accessible due to illegal settlement building. Local Palestinian, **Riyad Abboushi**, just back from the West Bank, will also take part in the discussions. Palestine Solidarity Campaign stall will sell fair-traded foods and crafts.
